LinkedIn : Almoatasimhasanain

Summary

Ambitious Computer Engineering graduate with strong technical skills and a growing passion for cybersecurity. Experienced in computer and laptop maintenance, with hands-on knowledge of network infrastructure and telecommunications. Adept at problem-solving, quick to learn new technologies, and always eager to expand my expertise in both software and hardware.

Education

Bachelor's Degree in Computer Engineering – (BHI) GBA: 2 (Good) Jan 2018 – Jun 2023

Graduation Project Grade (A+) (Registered with the Egyptian Engineers Syndicate).

Work Experience

- **IT Helpdesk, MISC (Part-Time)** Awlad Saqr - Sharkia Jan 2019 – Jan 2021

Provided technical support to Employees by troubleshooting hardware, software, and network issues across the office. Installed, configured, and maintained desktops, printers, and other peripherals. Delivered clear communication and training to non-technical staff, ensuring smooth daily IT operations and minimal downtime.

- **PM Engineer, Afro Egypt** Downtown – El Alamein Jun 2025 – Oct 2025

Working as a PM Engineer responsible for conducting preventive maintenance operations on telecom tower sites. Tasks include inspecting power systems (generators, batteries, rectifiers), checking network equipment status, performing routine site audits, and ensuring compliance with safety and operational standards. Collaborate with field teams to report faults, resolve on-site issues, and maintain high availability of network infrastructure. Familiar with site documentation, maintenance checklists, and field communication procedures.

Skills

- **Technical Skills:**

Computer & Network Maintenance, Hardware & Software Troubleshooting, Windows & Linux Systems, Basic Networking (Routers, Switches, IP Config), Cybersecurity & Penetration Testing, Web Security (OWASP, Burp Suite, Nmap, Nuclei), Python & Bash Scripting, MS Office & Virtualization Tools.

Languages

- **Arabic** Native Speaker
- **English** Good

Military Service

- **Completed** Jan 2024 – Mar 2025
